HEALTH COVERAGE PROGRAMS

Federal law prohibits discrimination on the basis of race, color, national origin, sex, age, sexual orientation, gender identity or disability. A complaint of discrimination may be filed by visiting www.hhs.gov/ocr/office/file or by writing HHS Director, Office of Civil Rights, Room 506-F, 200 Independence Avenue, S.W., Washington, DC 20201, or call 202-619-0403 (voice) or 202-619-3257 (TDD). HHS is an equal opportunity provider and employer.

- I understand that as a recipient of Medicaid, I may volunteer for DoHS's Bureau for Child Support Enforcement (BCSE) services, including obtaining medical support. These services are provided by BCSE at no charge to me.
- I understand I may receive medical assistance for my child(ren), including Early Periodic Screening, Diagnosis and Treatment (EPSDT).
- **I understand** that if my income is above the Medicaid limits, I may be eligible to receive a medical card if I have excess medical bills. **I further understand** that my Worker will advise me of the amount of medical bills I have to show and that I have 30 days from the date I apply to provide the bills. The bills can be paid or unpaid and can be bills for me, my husband/wife, or dependent minor children who live with me. My Worker will explain which bills cannot be used and why.
- **I understand** that a period of ineligibility for Medicaid long-term care may result if resources were transferred within the sixty (60) month period prior to the date of application by the applicant or applicant's spouse. This includes transfers into certain trusts.
- **I understand** that I am required to disclose to the State any interest my spouse or I have in an annuity. **I understand** the State must be named as the remainder beneficiary or as the second remainder beneficiary after a spouse or a minor or disabled child, for an amount at least equal to the amount of Medicaid benefits provided. Failure to comply with these requirements may be considered a transfer of resources for less than fair market value and result in ineligibility for Medicaid long-term care services.
- **I understand** that federal and West Virginia law mandates the recovery of Medicaid payments made after June 9, 1995, for nursing care or home and community-based waiver services and related hospital and prescription drug services on behalf of individuals age 55 or older at the time the payment is made. These laws also mandate the recovery of Medicaid paid for nursing care, care in an intermediate care facility for an intellectual or developmental disability or other medical institutions when an individual is determined permanently institutionalized.
The State will not impose a lien or will defer recovery from the estate when:
 - The individual qualifies for Medicaid under the adult expansion provisions of the Affordable Care Act; or
 - The individual has a surviving spouse living in the home; or
 - The individual has a surviving child who is under age 21 living in the home; or
 - The individual has a child living in the home who meets the Social Security Act's definition of blindness or permanent and total disability; or,
 - The individual's sibling has an equity interest in the home and was residing in the home for a period of at least one year immediately before the date of the individual's admission to a medical institution.

The amount of the recovery is the amount Medicaid pays for these medical services for the individual.
After a proof of claim is filed against the estate, heirs affected by Estate Recovery may file a hardship waiver.
Estate Recovery is not an eligibility requirement to receive Medicaid or payment for the services.

- **I understand** if I am in a nursing home, I must notify the local DoHS office within **10 days** if:
 - A) I am discharged from a nursing or intermediate care facility to go to another facility or return home.
 - B) There are changes in my gross unearned or earned income or the income of my spouse and any dependent children who live with my spouse.
 - C) There are changes in my assets or those of my spouse, including receiving, selling, purchasing or giving away assets.

I understand that failure to provide this information may result in a penalty or case closure.

West Virginia Department of Human Services

- **I understand** that certain adult Medicaid recipients (identified on this application as having a chronic substance use disorder; serious and complex medical condition; or a physical, behavioral, intellectual, or developmental disorder for which assistance is needed) will have the option to choose the benefit that best fits their health needs. West Virginia Medicaid will provide additional information about selecting a benefit package with their eligibility notice by calling 1-877-716-1212.
- **I understand** it is an eligibility requirement that I must cooperate with DoHS and with any provider of medical services in pursuing any resource available to meet the medical expenses of any Medicaid recipient. **I agree** to assign to the DoHS benefits available to any Medicaid recipient from any third-party source as a result of injury, accident, or illness. **I understand** that the amount payable to DoHS will never exceed the amount of the Medicaid liability. **I authorize payment** of any such third-party resources directly to DoHS. If the liable third-party makes payment directly to me, I agree to refund to DoHS an amount up to, but not exceeding, the amount of Medicaid liability. **I understand** that this repayment must be made even if my eligibility for Medicaid has stopped prior to my receiving such monies. **I further authorize** the release of any medical information or any information regarding medical insurance to DoHS and also authorize the release of any medical insurance information to medical provider(s) for billing purposes and the release of medical payment information to attorneys and/or insurance companies for the resolution of third-party claims.
- **I understand** I am signing this application under penalty of perjury which means I have provided true answers to all the questions on this form to the best of my knowledge. I know that I may be subject to penalties under federal law if I provide false and or untrue information.
I confirm that no one applying for health insurance on this application is incarcerated (detained or jailed) or I confirm that _____ (name of person) is incarcerated.
I understand to make it easier to determine my eligibility for help paying for health coverage in future years, **I agree** to allow the local DoHS office to use income data, including information from tax returns. The local office will send me a notice, let me make any changes, and I can opt out at any time.
Yes, renew my eligibility automatically for the next:
() 5 years (the maximum number of years allowed), or for a shorter number of years:
() 4 years () 3 years () 2 years () 1 year () Don't use information from tax returns to renew my coverage.
- **I understand** by accepting Medicaid under any category, I agree to give back to the State any and all money that is received by anyone listed on this application from an insurance company for repayment of medical and/or hospital bills for which the Medicaid Program has or will make payment. In addition, I agree that all medical payments or medical support paid or owed due to a court order for me or anyone listed on this application must be sent to the State to repay past or current medical expenses paid by the State. This includes insurance settlements resulting from an accident. I further agree to notify the DoHS office if I or anyone listed on this application is involved in any accident. I understand that this assignment of funds continues as long as I or anyone listed on this application received Medicaid.

SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP)

- **I understand** that SNAP benefits are to be used by or on behalf of my assistance group and me to purchase food or seeds. I cannot sell my SNAP benefits or use someone else's benefits for myself. The SNAP benefits will not be used for any other purpose. **I understand** that I may not use my EBT SNAP benefits to purchase food on credit. This means I cannot pay for food already purchased or food to be received in the future.
- **I understand** that I cannot do, or attempt to do the following either in public, in private, or Online: buy, sell, trade, steal, or otherwise use SNAP benefits for monetary gain or other considerations; purchase food in containers with deposits and discard the product to receive cash refund deposits; purchase soda, including regular, diet, and zero-calorie; and purchase or sell food originally purchased with SNAP benefits for monetary gain or other considerations. *These actions are considered SNAP trafficking.*

In addition, I understand my assistance group will have to repay any benefits received for which it was not eligible.

West Virginia Department of Human Services

I understand if I or any individual:

- A. is found guilty in a federal, state or local court of trading SNAP benefits for firearms, ammunition, explosives or controlled substances; is a convicted felon for possession, use, or distribution of a controlled substance(s); or is found guilty of trafficking \$500 or more in SNAP benefits, the guilty party will be **permanently disqualified from participating in the SNAP Program**.

-
- **I understand** that my SNAP benefits will be deposited in an Electronic Benefits Transfer (EBT) account and cannot be replaced under any circumstances. If I choose an authorized cardholder who has access to my EBT account, benefits used by the authorized cardholder also cannot be replaced.
 - I understand that if I do not use the entire SNAP benefits deposited in an EBT account for any given month, for a period of 274 days from the date of issuance, then that benefit only will be removed from my account. I may voluntarily request that benefits in my account be used to repay claims established against my SNAP account at any time.
 - I understand SNAP benefits in an EBT account will be removed immediately when it has been determined and verified that all certified members of the household are deceased.
-
- **I understand** that if I fail to report or verify any household expense(s) that may entitle my household to an income deduction, I will not receive that deduction. This means I may not receive the full amount of SNAP benefits for which my household may be eligible. **I understand** that once I report and verify the expense(s) as required I have the right to receive any calculated deduction beginning the following month.
 - **I understand** that as an Able-Bodied Adult Without Dependents (ABAWD) from the age of 18 until the month I turn 65 who does not live with a child under 14, I may receive SNAP benefits for not more than 3 months out of each 36-month period, if otherwise eligible, if I do not work at least 80 hours per month, or do not participate in a work program for at least 80 hours per month. If I lose eligibility because of this issuance limit, I can become eligible again after I work or participate in a work program for at least 80 hours in a 30-day period.
 - **I understand** that if I receive SNAP benefits I have to report when my total household income exceeds the SNAP gross income limit. **I also understand** that I will be notified what this amount is and that I must report this to DoHS by the 10th of the month after the increase happens. **I also understand** that if my household contains an ABAWD, I must report when that person's work hours are reduced to less than 80 hours per month. I further understand that I must report when any individual within my household wins an amount of money greater than or equal to the SNAP maximum allowable asset limit for assistance groups containing an older or disabled member through a single bet, game of chance, or lottery.
 - **I understand** that unless I am exempt, I must comply with work requirements: registering with WorkForce West Virginia, providing information about employment status, job availability, and training programs.
 - **I understand** that if I refuse or quit employment or reduce my work hours to below 30 hours per week without good cause I may be penalized.
 - **I understand** that I am authorized to receive information and referral services about TANF- funded programs as well as other programs offered by the WV Department of Human Services (DoHS) and other organizations in West Virginia. **I understand** that this information will be included in every SNAP notification letter sent to me.

Child Care Services

Parent's Rights

As a recipient of child care services, the parent

- Retains all legal rights to the child while the child is in care.
- Makes decisions about choice of child care providers. Through the child care certificate program, the parent shall be allowed to choose among a variety of child care options. (See Chapter 6, Parental Choice Section). Parents must understand, however, that safety of children is a primary concern. Therefore, providers must offer a safe environment and comply with State of West Virginia regulatory statutes. Background checks are completed by DoHS to determine if staff, providers or any other adults in a care-giver's home have a history of child/adult abuse or neglect or a criminal record.
- May request a list of substantiated parental complaints on any licensed or registered provider from the R&R worker or from the DoHS Child Care Worker. Lists of substantiated complaints are obtained from FACTS (DAY-0616) and shall be limited to standards violations.
- May appeal any denial and/or termination of child care services.
- Has the right to have all provider fees disclosed prior to beginning services with the provider.

Parent Responsibilities

- As a recipient of child care services, the parent has the following responsibilities: Visiting providers before selection and placement of children, as well as monitoring care throughout placement.
- Maintaining continuity of care for children. Parents shall be informed of the detrimental effects of frequent changes in provider and the importance of a consistent relationship with adults for a child's growth and development.
- Complying with the provider's rules and procedures, such as picking the child up on a timely basis, providing clothing changes, diapers, diaper wipes, etc. Parents should understand the importance of a cooperative relationship with their child's provider. A positive relationship between the adults enhances the child's experiences in care and often eliminates problems such as disruption in the current child care arrangement.
- Discussing with the provider any custody or visitation issues and providing names of people allowed to pick up the child(ren).
- Ensuring that the provider of choice receives a signed Child Care Certificate (DAY-0176) or Provider Notification Letter (DAY-0613) prior to accepting children in care. The certificate or notification letter is the provider's only assurance of payment.
- Signing children in and out of care on a daily basis. Parents may allow a provider or child care program staff to sign a child in or out, as applicable, if the child is transported to or from care by the provider or school buses.
- Paying the child fee directly to the provider on a schedule negotiated between them.
- Making private arrangements with the provider for payment if care is used for reasons and times not needed or not listed on the Certificate. The Agency will not pay for child care provided while parents attend medical appointments, go shopping, or participate in other non-work or school related activities.

West Virginia Department of Human Services

- Supplying the provider with a completed child health assessment form (ECE-CC-3C) on all children who have not reached their 6th birthday and updating forms every two years until the child is six (6) years of age. The provider retains the form in the child's record, except with in-home care where the parent is responsible for maintaining child health assessment and immunization records. When changing providers, the parent shall obtain a copy of the medical record for the new provider.
- Supplying the provider with a completed, notarized Emergency Information Form (ECE-CC-10E) to be maintained in the provider's files.
- Reporting changes in circumstances within five days. Failure to report changes to the agency may result in case closure, repayment of services used for time not approved, and/or 30-day penalty closure before services can be reopened. Income changes during the twelve (12) period will not impact a parent's continuing eligibility for care unless the parent requests a redetermination due to decreases in income that might result in reduced fees. However, the parent(s) shall report the following changes in circumstances to the provider and to the agency, as appropriate:
- Changes in identifying information - household members, address, telephone numbers, etc.

Changes in family size affecting eligibility-

- Additions to household size: child, spouse, biological parent of children in the home, If the case worker has reason to believe that the client is not accurately reporting family size, the case worker can request verification: i.e., birth certificate, adoption documents, statement of acting in loco parent is for the addition of a child, or a copy of marriage certificate for the addition of a spouse. OR
- Subtractions to household size: child, spouse or biological parent of children. If the case worker has reason to believe that the client is not accurately reporting family size, the case worker may request verification by legal documentation (i.e., legal separation papers, divorce decree, notice of removal of child from home). If no legal documentation is available, two notarized statements by persons other than relatives stating that the person is no longer in the home may be substituted.
- Changes in employment - place of employment or days and hours worked.
- Changes in provider. Clients who use school-based care providers and have a designated back up for summer care/days that the school-based program is unavailable are not considered to be "changing providers" as the client has already informed the worker that the backup provider becomes the primary care provider when the school-based program is unavailable.
- Loss of employment or termination from educational or training programs.
- Need for job search time. Job search time must be requested and approved by the agency.
- When entering changes of circumstances to the FACTS record, a new assessment is done only when changes are made to number of people in the family or income amounts that result in a reduction of fees. Recipients must verify income amounts. A new assessment changes the status check tickler to twelve (12) months from the date of the new assessment.
- Renewing the certificate by completing a status check at least 2 weeks before the current certificate expires. The R&R agency will send a status check to the client, by mail, 30 days before the certificate expires. However, it remains the parent's responsibility to obtain and complete a status check to renew the certificate.
- Submitting changes in circumstances during the status check completed every twelve (12) months after initial application. A new Certificate will be sent to parents every twelve (12) six (6) months based on successful completion of the status check. Status checks verify income and continuing need for services.
- Consequences of Failure to Comply with Program Responsibilities
- If a parent fails to fulfill these responsibilities, the worker shall give a written warning regarding specific problems, noting that subsequent abuses may result in a 30-day penalty closure.
- When a parent continues to use child care services when the need no longer exists (e.g., parent has lost job or quit school), the case will be closed, and no further payment made. The Recipient shall repay to the agency any child care monies paid on their behalf during the period of ineligibility.
- May request a list of substantiated parental complaints on any licensed or registered provider from the R&R worker or from the DoHS Child Care Worker. Lists of substantiated complaints are obtained from FACTS (DAY-0616) and shall be limited to standards violations.
- By electronically signing, this means that you (the applicant) are agreeing that: I certify that all the statements on this form have been read by me or to me and that I understand them and accept these responsibilities.
